Subject: Your 2011 COMECC Campaign is Underway!

The 2011 COMECC campaign is underway!

Since 1984 the Commonwealth of Massachusetts Employees Charitable Campaign (COMECC) has grown to provide state employees with the opportunity to give to one or more of approximately 1,200 charitable organizations. While much has changed over the past twenty-six years, the one constant has been your unwavering support and spirit of giving. Thanks to your generosity COMECC campaign pledges approached \$2 million again last year. This year, we hope to do even better because charities are struggling more than ever at a time when the need has never been greater. So, do you want to give to a non-profit organization that protects the environment, funds research and treatment of a life threatening illness, or provides housing and material support for homeless families? Whatever your interest COMECC makes it easy for you to send a powerful message and demonstrate your direct support through payroll deduction, credit card or personal check.

You should be receiving your COMECC pledge materials shortly, if you haven't already. You can also check out the <http://www.comecc.net> website where you can review your new 2011 COMECC brochure, download a pledge card, sign up for payroll deduction, or make a secure one-time credit card donation. This is your opportunity to carry on the COMECC tradition of giving so critical to people and communities close to home and around the world. THANK YOU for your past support, and remember your contribution makes all the difference!
